Joel Hanna

Marke Tel Systems

Dear Joel:

Thank you for your great support in assisting us in getting set up with Marke Tel. The dialer keeps are phone employees on the phones. and has allowed us to reach far more customers. The simple installation of your software and setting up the calling stations took only an hour and a few minutes on the phone with tech support. We are looking forward to enlarging are marketing room and adding more Marke Tel dialers soon.

*Dave*
